(9) repairs, provided that such repairs do not involve (i) the removal or cutting away of a
load bearing wall, partition, or portion thereof, or of any structural beam or load bearing
components; (ii) the removal or change of any required means of egress, or the
rearrangement of parts of a structure in a manner which affects egress; (iii) the
enlargement, alteration, replacement or relocation of any building system; or (iv) the
removal from service of all or part of a fire protection system for any period of time.
(c) Exemption not deemed authorization to perform non-complaint work. The exemption
from the requirement to obtain a building permit for work in any category set forth in
subdivision (b) of this section shall not be deemed an authorization for work to be
performed in violation of the Uniform Code or the Energy Code.
(d) Applications for Building Permits. Applications for a Building Permit shall be made
in writing on a form provided by or otherwise acceptable to the Code Enforcement
Officer. The application shall be signed by the owner of the property where the work is to
be performed or an authorized agent of the owner. The application shall include such
information as the Code Enforcement Office deems sufficient to permit a determination
by the Code Enforcement Officer that the intended work complies with all applicable
requirements of the Uniform Code and the Energy Code. The application shall include or
be accompanied by the following information and documentation:
(1) a description of the proposed work;
(2) the tax map number and the street address of the premises where the work is to be
performed;
(3) the occupancy classification of any affected building or structure;
(4) where applicable, a statement of special inspections prepared in accordance with the
provisions of the Uniform Code; and
(5) at least 2 sets of construction documents (drawings and/ or specifications) which (i)
define the scope of the proposed work; (ii) are prepared by a New York State registered
architect or licensed professional engineer where so required by the Education Law; (iii)
indicate with sufficient clarity and detail the nature and extent of the work proposed; (iv)
substantiate that the proposed work will comply with the Uniform Code and the Energy
Code; and (v) where applicable, include a site plan that shows any existing and proposed
buildings and structures on the site, the location of any existing or proposed well or septic
system, the location of the intended work, and the distances between the buildings and
structures and the lot lines.
(e) Construction documents. Construction documents will not be accepted as part of an
application for a Building Permit unless they satisfy the requirements set forth in the
paragraph (5) of subdivision (d) of the section. Construction documents which are
accepted as part of the application for a Building Permit shall be marked as accepted by
the Code Enforcement Officer in writing or by stamp. One set of the accepted
construction documents shall be retained by the Code Enforcement Officer, and one set
of the accepted construction documents shall be returned to the applicant to be kept at the
work site so as to be available for use by the Code Enforcement Personnel. However, the
return of a set of accepted construction documents to the applicant shall not be construed
as authorization to commence work, nor as an indication that a Building Permit will be
issued. Work shall not be commenced until and unless a Building Permit will be issued.
Work shall not be commenced until and unless a Building Permit is issued.
(f) **Issuance of Building Permits.** An application for a Building Permit shall be examined to ascertain whether the proposed work is in compliance with the applicable requirements of the Uniform Code and Energy Code. The Code Enforcement Officer shall issue a Building Permit if the proposed work is in compliance with the applicable requirements of the Uniform Code, Energy Code, and the Zoning Law of the Town of Torrey.

(g) **Building Permits to be displayed.** Building permits shall be visibly displayed at the work site and shall remain visible until the authorized work has been completed.

(h) **Work to be in accordance with the construction documents.** All work shall be performed in accordance with the construction documents which were submitted with and accepted as part of the application for the Building Permit. The Building Permit shall contain such a directive. The Permit Holder shall immediately notify the Code Enforcement Officer of any change occurring during the course of the work. The Building Permit shall contain such a directive. If the Code Enforcement Officer determines that such a change warrants a new or amended Building Permit, such change shall not be made until and unless a new or amended Building Permit reflecting such change is issued.

(i) **Time limits.** Building Permits shall become invalid unless the authorized work is commenced within 6 months following the date of issuance. Building Permits shall expire 12 months after the date of issuance. A Building Permit which has become invalid or which has expired pursuant to this subdivision may be renewed upon application by the Permit Holder, payment of the applicable fee, and approval of the application by the Code Enforcement Officer.

(j) **Revocation or suspension of Building Permits.** If the Code Enforcement Officer determines that a Building Permit was issued in error because of incorrect, inaccurate or incomplete information, or that the work for which a Building Permit was issued violates the Uniform Code or the Energy Code, the Code Enforcement Officer shall revoke the Building Permit or suspend the Building Permit until such time as the Permit Holder demonstrates that (1) all work then completed is in compliance with all applicable provisions of the Uniform Code and the Energy Code and (2) all work then proposed to be performed shall be in compliance with all applicable provisions of the Uniform Code and the Energy Code.

(k) **Fee.** The fee specified in or determined in accordance with the provisions set forth in section 16 (Fees) of this local law must be paid at the time of submission of an application for a Building Permit, for an amended Building Permit, or for renewal of a Building Permit.

**SECTION 5. CONSTRUCTION INSPECTIONS.**

(a) **Work to remain accessible and exposed.** Work shall remain accessible and exposed until inspection and accepted by the Code Enforcement Officer or by an Inspector authorized by the Code Enforcement Officer. The Permit Holder shall notify the Code Enforcement Officer when any element of work described in subdivision (b) of this section is ready for inspection.

(b) **Elements of work to inspected.** Work shall remain accessible and exposed until inspected and accepted by the Code Enforcement Officer or by an Inspector authorized by the Code Enforcement Officer. The Permit Holder shall notify the Code Enforcement Officer when any element of work described in subdivision (b) of this section is ready for inspection.

(9) Energy Code compliance; and
(10) a final inspection after all work authorized by the Building Permit has been completed.

(c) Inspection results. After inspection, the work or portion thereof shall be noted as satisfactory as completed, or the Permit Holder shall be notified as to where the work fails to comply with the Uniform Code or Energy Code. Work not in compliance with any applicable provisions of the Uniform Code or Energy Code shall remain exposed until such work shall have been brought into compliance with all applicable provisions of the Uniform Code and Energy Code, re-inspected, and found satisfactory as completed.

(d) Fee. The fee specified in or determined in accordance with the provisions set forth in section 16 (Fees) of this local law must be paid prior to or at the time of each inspection performed pursuant to this section.

SECTION 6. STOP WORK ORDERS.

(a) Authority to issue. The Code Enforcement Officer is authorized to issue Stop Work Orders pursuant to this section. The Code Enforcement Officer shall issue a Stop Work Order to halt:
(1) any work that is determined by the Code Enforcement Officer to be contrary to any applicable provision of the Uniform Code of the Energy Code, without regards to whether such work is or is not for which a Building Permit is required, and without regard to whether a Building Permit has or has not been issued for such work, or

(2) any work that is being conducted in a dangerous or unsafe manner in the opinion of the Code Enforcement Officer, without regard to whether such work is or is not work for which a Building Permit is required, and without regard to whether a Building Permit has or has not been issued for such work, or

(3) any work for which a Building Permit is required which is being performed without the required Building Permit, or under a Building Permit that has become invalid, has expired, or has been suspended or revoked.

(b) Content of Stop Work Orders. Stop Work Orders shall (1) be in writing, (2) be dated and signed by the Code Enforcement Officer, (3) state the reason or reasons for issuance, and (4) if applicable, state the conditions which must be satisfied before work will be permitted to resume.
(c) Service of Stop Work Orders. The Code Enforcement Officer shall cause the Stop
Work Order, or the copy thereof, to be served on the owner of the affected property (and, if the owner is not the Permit Holder, on the Permit Holder) personally or by [registered mail / certified mail]. The Code Enforcement Officer shall be permitted, but not required, to cause the Stop Work Order, or a copy thereof, to be served on any builders, architect, tenant, contractor, subcontractor, construction superintendent, or their agents, or any other person taking part of assisting in work affected by the Stop Work Order, personally or by [registered mail/ certified mail]; provided, however, that failure to serve any Person mentioned in this sentence shall not affect the efficacy of the Stop Work Order.

(d) Effect of Stop Work Order. Upon the issuance of a Stop Work Order, the owner of the affected property, the Permit Holder and any other Person performing, taking part in or assisting in the work shall immediately cease all work which is the subject of a Stop Work Order.

(e) Remedy not exclusive. The issuance of a Stop Work Order shall not be the exclusive remedy available to address any event described in subdivision (a) of this section, and the authority to issue a Stop Work Order shall be in addition to, and not in substitution for or limitation of, the right and authority to pursue any other remedy or impose any other penalty under section 15 (Violations) of this local law or under any other applicable local law or State law. Any such other remedy or penalty may be pursued at any time, whether prior to, at the time of, or after the issuance of a Stop Work Order.

SECTION 7. CERTIFICATES OF OCCUPANCY/ CERTIFICATES OF COMPLIANCE

(a) Certificates of Occupancy/ Certificates of Compliance required. A Certificate of Occupancy/ Certificate of Compliance shall be required for any work which is the subject of a Building Permit and for all structures, buildings, or portions thereof, which are converted from one use or occupancy classification or sub-classification to another. Permission to use or occupy a building or structure, or portion thereof, for which a Building Permit was previously issued shall be granted only by issuances of a Certificate of Occupancy/ Certificate of Compliance.

(b) Issuance of Certificate of Occupancy/ Certificates of Compliance. The Code Enforcement Officer shall issue a Certificate of Occupancy/ Certificate of Compliance if the work which was the subject of the Building Permit was completed in accordance with all applicable provisions Uniform Code and Energy Code and, if applicable, that the structure, building or portion thereof that was converted from one use or occupancy classification or sub-classification to another complies with all applicable provisions of the Uniform Code and Energy Code. The Code Enforcement Officer or an Inspector authorized by the Code Enforcement Officer shall inspect the building, structure or work prior to the issuance of the Certificate of Occupancy/ Certificate of Compliance.
